

THE FAMILY GROWS,
SO DOES YOUR
SECURITY

NEW
BRAKE
CALIPERS

Our family of friction components just got bigger.

Introducing the **new REMSA brake calipers**, the perfect addition to over **50 years of aftermarket leadership**.

Backed by cutting-edge technology and industrial strength, we deliver the highest standards in braking safety and performance.

With over **8 million calipers remanufactured** at our Wrexham facility and 130 million components produced across 8 global plants, **REMSA is your trusted partner in braking systems worldwide.**
